Forum for our Community: A Dialogue on Youth and Families & Alcohol and Drug Use

Register to attend our local community forum and join the effort to educate community members about drugs, alcohol, and our youth. **Be a part of the solution!**

Community forums address the needs of prevention, treatment, and recovery support services in your community

- ◆ What can we do to keep drugs and alcohol from threatening our communities?
- ◆ What are the current budgetary issues facing Illinois' providers and how does this affect services available for those who need it?
- ◆ Join public officials, service providers, and other community members to discuss how **we can work together** to address current drug and alcohol issues in **our** community
