“An Evening for Melody Heaps”

Join us as we celebrate and honor the career of TASC founder Melody Heaps. The evening will include networking opportunities with current and former colleagues of Ms. Heaps and dinner. The evening will conclude with a light-hearted 'roast' of our honored guest. Ms. Heaps' career has spanned more than 3 decades and includes numerous honors and awards for her work in Illinois, Washington, DC and across the country. As she moves into her new role of President Emeritus of TASC, we will look back at her distinguished career and enjoy the fellowship of her colleagues. Please join us for this special evening!

- 7:00 am Registration
- 7:00 am – 9:00 am Buffet Breakfast
- 8:30 am – 8:45 am Opening Remarks
Sara M. Howe, CEO, IADDA
- 8:45 am – 10:00 am Keynote Presentation – A Hero's Welcome: Supporting Veterans, Returning Service Members and Their Families after the War Zone
Kevin J. Cavanaugh, Illinois Department of Veterans' Affairs, Harry F. Sawyer, Illinois Department of Veterans' Affairs
 Thousands of service members have returned to Illinois following the current conflicts in Iraq and Afghanistan, joining the thousands more who fought in previous conflicts in Kuwait, Bosnia, Kosovo, Viet Nam, Korea, and WW II. For many homecoming was a joyous celebration yet for many others, returning home has been a painful and frightening experience as they and their families have struggled with the visible and invisible wounds of war. This session will explore the Veterans Administration systems in place to assist veterans and returning service members and will also discuss the many resources available to families in need of assistance for themselves and their loved ones as they cope with the after effects of life in a combat zone and the challenges associated with reintegration. This session will also discuss ways in which the community-based prevention and treatment system, well-positioned to

assist veterans and their families in communities across Illinois, can work closely with the Department of Veterans Affairs to ensure that “no one gets left on the battlefield.” A moderated question and answer session will follow the presentation.
